LINDFIELD NSW 2070

To whom it may concern,

Austream Builders

We would highly recommend Austream to anyone looking to embark a building project. Michael and his team undertook an extensive renovation of our home in Lindfield turning what was a good house into great house. The project was completed on time and within budget.

Michael's staff were hardworking, professional and courteous. The project was performed with ongoing consultation and goodwill between all parties involved and Austream were responsive to any issues or changes that we looked to make.

We are thrilled with outcome of our new home and have widely recommended Austream to friends who are looking to renovate.

Yours Sincerely

Matt & Mandy Riordan
