To Whom It May Concern

**Re: Michael McCurtayne – Austream Builders Pty Limited**

It is with great pleasure that we are able to highly recommend Michael McCurtayne and Austream Builders Pty Limited without reservation.

We found Michael and his tradespeople to be of the very highest standard and our renovation experience was a very harmonious and successful one. We also found him and his team to be hardworking, responsive, respectful of our property and our job was completed within the estimated timeframe.

We would certainly only consider using Michael McCurtayne and Austream Builders Pty Limited for any other project in the future.

Yours faithfully
